Community Forum.**

E-164

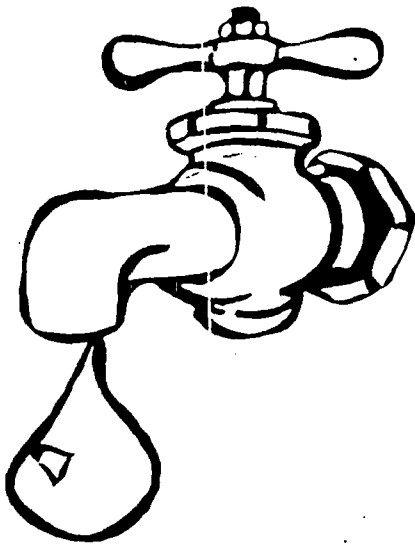

RESIDENTS OF REED TOWNSHIP, GODLEY & BRAIDWOOD

THERE WILL BE A
PUBLIC FORUM

TUES., FEB. 7, 2006 - 7 P.M.

Godley Park District (gymnasium)
500 So. Kankakee St., Godley, IL (815)458-6129

IS OUR WATER SAFE?

Exelon has recently
admitted to the
discharge of
contaminants into our
groundwater.

Just how dangerous are these contaminants?

PLEASE join us - this is **YOUR** community,
YOUR environment, and **YOUR** health.

WE ALL NEED ANSWERS

CHRONOLOGY OF EVENTS
BRAIDWOOD STATION RELEASES

- June 25, 2000..... Offsite release of 5,000 gallons (+/-) of diesel oil via drainage ditch on west side of plant. Original spill estimate reported as 5 gallons.
- July 19, 2000..... Public Notice of Draft Permit, National Pollution Discharge Elimination System (NPDES) #IL0048321. Permit expiration date, 09/01/2000.
- August 17, 2000..... Letter from Village of Godley Attorney to Illinois Environmental Protection Agency (IEPA) requesting public hearing on NPDES Permit.
- August 2000..... March 2001 – Numerous meetings with State Agencies, Commonwealth Edison/Exelon concerning spill, extent of spill, protection of shallow water, public water supply.
