Gentlemen:

Enclosed is Amendment #3 to your license C-2734.

This amendment is for the purpose of authorizing you to receive,
under this license, all source material rather than limiting the
license to certain types of source material.

Very truly yours,

SOURCE MATERIAL LICENSE

License No. C-2734

Amendment # 3

Dated:

Attention: Mr. W. M. Leaders

Gentlemen:

Pursuant to the Atomic Energy Act of 1954 and Section 40.21 of the Code of Federal Regulations, Title 10 - Atomic Energy, Chapter 1, Part 40 - Control of Source Material, you are hereby licensed to receive possession of and title to source material for further processing, for studies in connection with the preparation of reactor fuel elements, for research and development activities and for resale.

You are further licensed to transfer and deliver possession of and title to refined source material to any person licensed by the Atomic Energy Commission, within the limits of his license.

As a condition of this license, you are required to maintain records of your inventories, receipts and transfers of refined source material.

This license is subject to all the provisions of the Atomic Energy Act of 1954 now or hereafter in effect and to all valid rules and regulations of the U. S. Atomic Energy Commission, including 10 CFR 20, "Standards For Protection Against Radiation."

Neither this license nor any right under this license shall be assigned or otherwise transferred in violation of the provisions of the Atomic Energy Act of 1954.

This license shall expire November 1, 1958

FOR THE ATOMIC ENERGY COMMISSION
