

UNITED STATES GOVERNMENT

# Memorandum

TO : H. L. Price, Director  
Division of Licensing and Regulation

DATE: AUG 5 1960

FROM : L. D. Low, Director  
Division of Compliance

SUBJECT: STATUS OF ENFORCEMENT ACTION - MALLINCKRODT CHEMICAL WORKS  
LICENSE NO. R-226

SYMBOL: CO:MDB

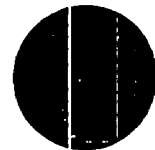

Reference is made to the memorandum Low to Price, July 22, 1960, subject, Status of Enforcement Action - U. S. Army Chemical Corps School, License No. 1-2861-1, which explained the policy of this Division with regard to the scheduling of follow-up and reinspections after completion of enforcement action on the last previous inspection.

In connection with their report for the fourth quarter, FY 60, OR reported reinspection pending on the subject license. The last inspection report was forwarded to your office by OR memorandum dated February 16, 1960.

If enforcement action has been completed in this case, two copies of the L&R and licensee correspondence would be appreciated so that the next inspection can be scheduled, if otherwise appropriate. Our files indicate that this license expired March 31, 1960. Any information as to the current status will be appreciated.

*License is terminated*

RE: MALLINCKRODT CHEMICAL WORKS, LICENSE NO. E-226

By letter dated 6-7-60, Mallinckrodt informed us that they had stopped processing under License No. R-226, and by letter dated 7-26-60, we acknowledged that this license was terminated. Copies of these letters have been forwarded to you previously. In view of this, we do not plan to take any action regarding License No. R-226. *inspiration*
