

8-18-56

*Office Memorandum* • UNITED STATES GOVERNMENT

TO : Clifford K. Beck, Acting Deputy Director  
Reactor Hazards Evaluation Staff, DCA

FROM : Lyall Johnson, Chief, Licensing Branch  
Division of Civilian Application

SUBJECT: MALLINCKRODT CHEMICAL WORKS APPLICATION FOR SNM LICENSE

SYMBOL: CAL:JCD

DATE:

Reference is made to your memorandum of July 24, 1956, which comments on the subject application and suggests additional information that should be provided by the applicant.

Attached is the file relating to the subject application, including the MCW letter of August 9, 1956, which provides additional information in support of their application.

Please review the application with respect to the adequacy of the applicant's procedures for the avoidance of accidental criticality during the processing of fully enriched uranium.

The file should be returned with your comments.

Enclosures:  
As stated above
