Mallinckrodt Chemical Works  
St. Louis 7, Missouri

Attention: Mr. W. M. Leaders  
Special Metals Division

Gentlemen:

Reference is made to your letter of June 17, 1958, requesting authorization to retain 118.62 grams of U-235 contained in 133.18 grams of uranium from material allocated to Atomic International.

If the material you refer to was allocated by the Division of Licensing & Regulation to Atomic International, no further allocation by us is required and you may initiate the request for transfer of financial responsibility by executing the Form AEC-459A. If the material was not allocated to Atomic International by this division, you should determine from them under which Commission program the material was allocated and so advise us so we can arrange for the allocation.

Very truly yours,

W. M. Leaders  
and  
Lyall Johnson  
Chief, Licensing Branch  
Division of Licensing & Regulation
