MALLINCKRODT CHEMICAL WORKS APPLICATION FOR AMENDMENT OF SNM-33

SYMBOL: LRL:JCD

Reference is made to your memorandum dated March 6, 1958 requesting additional information from Mallinckrodt regarding its four applications for amendment of SNM-33, three dated February 20 and one dated February 25, 1958.

Attached is Mallinckrodt's letter dated March 14, 1958 which provides the additional information in support of the applications. Please review the information with respect to the adequacy of the applicant's proposed procedures to prevent accidental criticality. The application need not be returned with your comments.
