M & C NUCLEAR, INC. REQUEST FOR AMENDMENT TO SPECIAL NUCLEAR  
MATERIAL LICENSE, SNM-23, AS AMENDED - DOCKET NO. 70-33

**SYMBOL:** L&R:CPH

Enclosed is Docket No. 70-33 which contains a request dated  
September 18, 1958, from the M & C Nuclear, Inc., for amend-  
ment to their special nuclear material license.

Please review the request, in conjunction with the applicable  
material previously submitted, for the adequacy of the appli-  
cant's procedures to avoid a condition of accidental criticality.

The enclosed material should be returned along with your comments  
upon the completion of your review.
