FROM : Lyall Johnson
Chief, Licensing BranchSUBJECT: MALLINCKRODT CHEMICAL WORKS REQUEST TO WITHHOLD INFORMATION
FROM THE PUBLIC DOCUMENT ROOM

SYMBOL: LRL:JCD

By letter dated January 21, 1959, Mallinckrodt Chemical Works has requested that Exhibit A to that letter not be made a part of the public record "For the reason that it contains unaudited figures, the disclosure of which would be contrary to the best interests of this Company". They further state that "Until the final audit by our public accountants, Price Waterhouse & Co., is completed, the figures are subject to the normal year-end adjustments and, hence, might be misconstrued by interested persons. As soon as the annual report is prepared (on or about March 31, 1959), a copy will be furnished to you and we have no objections whatsoever to its inclusion in the public record".

It is hereby determined that the referenced Exhibit A may be withheld from public inspection inasmuch as the disclosure of its contents is not required in the public interest and might adversely affect the interests of the applicant.
