SUBJECT: Special Nuclear Material License No. SNM-33

Dear Mr. Johnson:

We are requesting an additional allocation of special nuclear material for use in our licensed Hematite, Missouri facility. The material requested is as follows:

50 kg  $U^{235}$  content as uranium hexafluoride containing  $19.8 \pm .15\%$   $U^{235}$ .

This material will be transferred only to properly licensed organizations.

If there is additional information required before granting our request for an allocation, do not hesitate to call upon us.

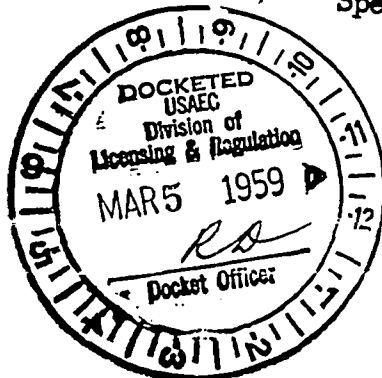

Very truly yours,

MALLINCKRODT NUCLEAR CORPORATION
