Ms. Kahn,

This is in reference to your Nuclear Regulatory License. Based on your voice message left with Mr. Todd Jackson, NRC, you wish to discontinue your program and do not wish a license renewal. In order to "discontinue your program". you must request for termination. The best method to request for termination is to use NRC Form 314, <http://www.nrc.gov/reading-rm/doc-collections/forms/nrc314.pdf>.

Please print out the form and complete it. If you have any questions about the form please give me a call at 610-337-5366.

If you do not wish to terminate your license, please call me, Dennis Lawyer (610-337-5366) as new Radiation Safety Officer needs to be appointed.

Please note that you may not reply to this letter by return e-mail. Your reply must be in writing by letter or facsimile (610-337-5269). If we do not receive a reply from you within 30 calendar days from the date of this e-mail, we will assume that you do not wish to pursue your application.

Sincerely,

Dennis Lawyer
