Mr. J. C. Delaney  
Licensing Branch  
Division of Licensing and Regulation  
U. S. Atomic Energy Commission  
Washington 25, D. C.

SUBJECT: Status of License Applications

Dear Mr. Delaney:

For the past several weeks I have been out of direct contact with the handling of license applications recently submitted. Will you please advise me of the status of the following applications for extension of SNM-33:

<u>Date Submitted</u>	<u>Subject</u>
March 2, 1960	Shipping container for uranium compounds, solutions and metal of any enrichment.
March 3, 1960	55 gallon shorty - 5 gallon pail shipping container.
April 14, 1960	Recovery of uranium from scrap material.
April 16, 1960	Uranium storage facility

Please let me know if you require additional information in order to approve these applications.

Respectfully yours,

MALLINCKRODT NUCLEAR CORPORATION
