Re: Import/Export License #CBP0016

Pursuant to 10 CFR 110.31 and Federal Register Volume 70, No. 126, REVISS Services Inc. submits the following application for amendment to our Import/Export license, Number CBP0016, for our products to supply our customers in the United States.

REVISS Services Inc. requests that the following supplier be added for import into the US.

Dioxitek S.A.
Centro Atomico Ezeiza
Presbitero Juan Gonzalez Y Aragon N° 15
Partido De Ezeiza, Prov. De Buenos Aires
Argentina

This change will allow us some flexibility to provide product directly from the manufacturing facility to our US customers when it becomes necessary to do so.

Thank you for your consideration.

Best regards,

John L. Schrader
Radiation Safety Officer
