Dear Ms. Maida,

This is the U. S. Nuclear Regulatory Commission's (NRC) response to the e-mail from Carla B. Stone, OMB, dated March 30, 2006, Subject: OMB OGC E-mail to Agency Chief FOIA Officers Concerning the President's FOIA EO. Ms. Stone asked that DOJ and OMB be notified, by April 17, 2006, whether the NRC has established a FOIA Requester Service Center and designated FOIA Public Liaisons, and for the NRC URL address where it has posted this information on its Web site.

The NRC has established a FOIA Requester Service Center and designated two FOIA Public Liaisons. The information about the NRC FOIA Requester Service Center and NRC FOIA Public Liaisons is located on the NRC Web site at [www.nrc.gov](http://www.nrc.gov). From the left-side menu box select "FOIA Requests." When the FOIA page comes up, look in the left-side menu box and you will see a link to Executive Order 13,392. Selecting this link will take you to the information on the NRC Service Center and the NRC Public Liaisons. This information is also available via the left-side menu box on the FOIA page by selecting the block "Contact Us About FOIA/Privacy Act, Service Center, and Public Liaisons."
