Gentlemen:

Subject: Amendment to Materials License No. 07-31039-01

Please find enclosed NRC FORM 313 outlining our request for an amendment to our materials license no. 07-31039-01. We would like to add our current office at 5177 West Woodmill Drive, Wilmington, Delaware as a new storage location for our density testing gauge. This is necessitated by our current field testing work being local to our current office location.

If you have any further questions, please do not hesitate to contact us.

Sincerely,

John J. Lesko, Jr.
Vice President
Manager Geotechnical Engineering Department
