Re: Amendment to USNRC License # 47-23517-01 St. Luke's Hospital

To Whom It May Concern:

St. Luke's Hospital wishes to amend its current USNRC materials license to reflect changes in staff. The Radiation Safety Committee met today, reviewed credentials, and agreed, unanimously, to appoint Dilip B. Patel, MD as an Authorized User of radioactive materials.

1. **Add Authorized User:** We request to have **Dilip B. Patel, MD** listed as an authorized user for uses as described in 10 CFR 35.100 and 200. Dr. Patel was listed for the same uses on Buchanan General Hospital's, Grundy, Virginia, USNRC materials license (45-24824-01) within the last seven years.

If you have any further questions regarding this amendment request or would like to discuss it further do not hesitate to contact me. The telephone number for radiology is (304) 327-2956.

Sincerely,

Joetta Dotson
Chief Nursing Officer
St. Luke's Hospital
