Subject: Conference Call on Indian Point 2 Spent Fuel Pool - Thurs 11/3 3:30 pm

Thursday November 3, 2005, at 3:30 p.m. there will be a briefing on the Indian Point 2 Spent Fuel Pool issues:

- NRC representatives will discuss the status of the agency's Special Inspection and the recently issued "Reactor Oversight Process Deviation Memorandum" for additional NRC inspection of this issue.
- Entergy will provide the status of its review and planned activities.

Date: 11/3
Time: 3:30 p.m. - 4:30 p.m.

Phone Number: 1-800-638-8081 or 301-231-5539

Pass Code: [REDACTED]

Exempt 2

If multiple individuals from your organization plan to participate in the conference call, please call from a common location when possible.

This conference call will cover any new information provided by Entergy during the site tour they have offered to stakeholders on Thursday November 3, 2005. NRC representatives will be onsite during the tour and will be available to answer questions. The NRC will also host the conference call at 3:30 p.m., to provide information (as noted above) and to answer questions.

The briefing is being provided for the representatives of federal, State, and local government officials. Please do not distribute the telephone conference information to individuals other than the intended participants.
