Re: Request for Export License for China Contract.

To Whom It May Concern:

Baker Hughes Oilfield Operations Inc, dba Baker Atlas, hereby submits this request for a specific Export/Import license, pursuant to 10 CFR Part 110, to allow the export of Americium 241 Beryllium byproduct material which meets the encapsulated specifications of a Special Form Oil Well Logging source. The current contract these sources will be exported under requires the sale of stated sources on the license application to The Second File of Liaohe Logging Company located in Panjin City, Peoples Republic of China. Currently China is listed on the NRC Country List (for guidance on fees) and the appropriate fee has been included with the application according to the guidance of the NRC list. As always if there are any questions, concerns, or additional information needed, feel free to contact me.

Regards,

James K Elrod
Radiation Safety Officer
