**Mr. Benjamin Schlapak, Airport District Manager for the State of Hawaii, DOT, Honolulu International Airport, Airport Division and Mr. Ethan "Tomo" Tomokiyo, Property Manager for the same agency.** These two individuals are the responsible for leasing that land and approving Pa'ina Hawaii's long term lease. A lease that is for 30 year with a possible 10 year extension, at which time the property and building will revert back to the State of Hawaii and the Airport Authority. Mr. Schlapak and Mr. Tomokiyo are very supportive of the irradiator and welcome it as a business venture to the airport.
