Attention LAT:

I am writing to request that the storage address named on our current license be removed and a new storage address be added for the Troxler 3411-8" Nuclear Moisture/Density Gauge that was just purchased by my Company.

The new storage address is: Criterium-Peters Engineers

The gauge was delivered to my office on Friday, April 21, 2006 and has not been used. I have enclosed a copy of the results of the last leak test that was performed on April 4, 2006.

Thank you for your consideration of this request and your attention to this matter.

Sincerely,
