Docket No. 52-008-ESP

RAS No. 11580

Dear Judge Bollwerk:

I, Melissa Luce, hereby declare that had the initial pre-hearing conference regarding Dominion's Early Site Permit application for its North Anna facility in Mineral, Virginia, currently scheduled to be held June 21-23, 2004, in Rockville, Maryland, been held closer to the proposed reactor site, I would have attended the hearing due to my personal interest in the proceedings.

Due to its being held in Maryland, over 100 miles from the proposed site, I am unable to attend the hearing.

Sincerely,

Date: 6/23/04

Address: 138 Twin Oaks Rd
Louisa, VA 23093

I hope it's not too late for you to consider my input. I'm primarily concerned with the waste issue. I don't think we have a satisfactory process method for dealing w/ the radioactive waste from all our current plants & do not want to OK plans
