Subject: **FYI: Hawaiian State Legislator's Interest in Pa'ina Hawaii**

Mr. Wert//

Just received a call from Russ Takata from the State of Hawaii. Russ indicated that a member of the State Legislature (Suzanne Chun Oakland) had requested that the State of Hawaii Civil Defense answer questions about the proposed irradiator in Hawaii. Was it safe? Was is safe where Pa'ina Hawaii plans to build the irradiator? What about hurricanes, tsunamis, other natural acts of nature.

Russ said he would keep us informed about this request.

Thx//JackW
