DEMAND FOR INFORMATION

**[Double space from here to end, except single space signature block.]**

I

[Provide the name of the person to whom the Demand is to be issued, and his or her relationship to the licensee and to the licensed activities, .e.g.:

“(individual's name) is employed as a \_\_\_\_\_ at \_\_\_\_\_ (Licensee). Licensee holds license No. \_\_\_\_\_ issued by the Nuclear Regulatory Commission (NRC or Commission) pursuant to 10 CFR Part 50 on (date). The license authorizes the operation of \_\_\_\_\_ (facility) in accordance with the conditions specified therein. The facility is located on the Licensee's site in (City, State).”]

II

[This section should provide a description of relevant events, facts, violations, technical or legal reasons that provide the substantive basis for issuing the Demand, e.g.:

“On (date), the NRC, Region \_\_, received information that \_\_\_\_\_. In response to this information, NRC initiated a special safety inspection (investigation) of licensed activities. The inspection (investigation), which is still ongoing, to date has established:

1. \_\_\_\_\_;
2. \_\_\_\_\_;
3. \_\_\_\_\_.

Based on the above, it appears that (individual's name), an employee of the Licensee, has engaged in deliberate misconduct in providing false information to the NRC, and raises serious doubts as to whether (individual's name) can be relied upon to comply with NRC requirements and to provide complete and accurate information to the NRC. Therefore, further information is needed to determine whether the Commission can have reasonable assurance that in the future (individual's name) will [Provide statement of activity that individual's conduct has jeopardized, e.g., provide complete and accurate information to the Commission] and otherwise conduct activities in accordance with the Commission's requirements.”]

III

Accordingly, pursuant to sections [Include "104b" if any of the licenses subject to this Order were issued pursuant to Section 104b], 161b, 161c, 161i, 161o, 182 and 186 of the Atomic Energy Act of 1954, as amended, and the Commission's regulations in 10 CFR 2.204, the Commission needs the following information to determine whether enforcement action should be taken against you to ensure future compliance with NRC requirements:

[Specifically list the necessary information, e.g.:

- A. \_\_\_\_\_;
- B. \_\_\_\_\_;
- C. \_\_\_\_\_.]

You may provide any other information that you want the NRC to consider, including whether the statements made in Section II are correct. You may respond to this Demand for Information by filing a written answer under oath or affirmation or by setting forth your reasons why this Demand for Information should not have been issued if the requested information is not being provided. The response to this Demand for Information is to be submitted to the Director, Office of Enforcement, U.S. Nuclear Regulatory Commission, Washington, DC 20555-0001, within (number) days of the date of this Demand for Information, in writing and under oath or affirmation. Copies also shall be sent to the Assistant General Counsel for Materials Litigation and Enforcement at the same address, and to the Regional Administrator, NRC Region \_\_, (regional address).

Upon review of your answer, or if no answer is filed, the Commission may institute a proceeding pursuant to 10 CFR 2.202 or take such other action as may be necessary to ensure compliance with regulatory requirements. Your response to the Demand for Information will be considered before a decision is made in this matter. However, if no answer is filed, we will proceed on the basis of available information.

If you choose to respond, your response will be made available electronically for public inspection in the NRC Public Document Room or from the NRC's document system (ADAMS). ADAMS is accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html>. Therefore, to the extent possible, it should not include any personal privacy, proprietary, or safeguards information so that it can be made available to the Public without redaction. If personal privacy or proprietary information is necessary to provide an acceptable response, then please provide a bracketed copy of your response that identifies the information that should be protected and a redacted copy of your response that deletes such information. If you request withholding of such material, you must specifically identify the portions of your response that you seek to have withheld and provide in detail the bases for your claim of withholding (e.g., explain why the disclosure of information will create an unwarranted invasion of personal privacy or provide the information required by 10 CFR 2.390(b) to support a request for withholding confidential commercial or financial information). If safeguards information is

necessary to provide an acceptable response, please provide the level of protection described in 10 CFR 73.21. In addition, this letter will be maintained by the Office of Enforcement in an NRC Privacy Act system of records, NRC-3, "Enforcement Actions Against Individuals." The NRC-3 system notice, which provides detailed information about this system of records, can be accessed from the NRC Web site at <http://www.nrc.gov/reading-rm/foia/privacy-systems.html> .
