Subject: **RES: Pa'ina Hawaii-Irradiator Information Requested**

Mr. Richard//

Mr. Wert requested that I send you the attached references for your perusal: two Federal Register Notices, three press releases, NUREG 1556, Vol. 3, the redacted Pa'ina Hawaii, LLC application. If you have questions please feel free to contact us.

We are sorry that the last minute arrangements for telephone connection mode of operation did not work out, however, Mr. Wert is very serious about **maximizing public outreach** and is taking your suggested mode of communication under serious consideration for any future public meetings in Hawaii, since Hawaii is spread out among the various islands and travel between the islands is somewhat difficult. We appreciate your suggestion for enhancing communication.

If you need additional information, please advise.

Thx//JackW
