Roberto,

I am sorry for the confusion. We have been informed that our tax map key number is 11076010, it is not the 1103119 number. We had been given that number in error. Please note that our lot 11076010 now contains 3000 sqft from 11076009. Although this might not be reflected in all databases yet. So anyone looking at our TMK should look at both 11076010 and 11076009.

We apologize for the confusion.

Andrew

Andrew:

See attached email from State of Hawaii, Office of Hawaiian Affairs. The TMK number appears to be missing a digit. Please confirm. Thanks.
