Mike,

I had a question on the assignment of charges on the above referenced invoice, which covers expenses for roughly the 1st quarter of CY2006. The 1st 2 charges are assigned to TAC LU0078 which reflects the Lined Pond Closure Plan. That plan was approved by NRC in June 2005. I do not see why any time would be needed on that plan in 2006.

I believe that the correct TAC should be LU0077 which was assigned to the Soil Plan, as this is what, I believe you have been spending most of your time on as it relates to Rio Algom. If this is the case, we will need to get another invoice which reflects this TAC and references the "Soil Decommissioning Plan."

Thanks.

Peter
