Debra:
Jack and I had your email address wrong. That's why Jack did not get back to you before. I will forward your email to him since he's out of the office today. I will include your email address in our mailing list to keep you informed of all activities related to the Pa'ina license application.

Hawaii CZM Program Federal Consistency for the Paina Hawaii Project

Here is a little bit of information on the federal consistency process in Hawaii. In Hawaii, the lead agency to implement or coordinate the State's

federally approved Coastal Zone Management (CZM) Program is the Office of Planning. The Office of Planning is administratively attached to the Department of Business, Economic Development and Tourism.

Hawaii's coastal zone encompasses all of Hawaii's land area and ocean area.

extending from the shoreline to the seaward limit of the State's police power and management authority. The Hawaii CZM area also includes all archipelagic waters and submerged lands to the limit of the State's jurisdiction. Federal lands area excluded from the coastal zone.

Here are the documents I promised and a couple others for reference:

- 1) Chapter 205A of the Hawaii Revised Statutes -
- 2) 15 CFR 930 -
- 3) CZM Federal Consistency Instructions -
- 4) CZM Federal Consistency Application Form -

5) CZM Federal Consistency Assessment -

If you have any other questions, please do not hesitate to contact me.

Thanks,
Deb
