Subject: Conference Call with Region I

Tim,

On Fri., 2/18, at the earliest possible time, Glenn requests that we arrange a conference call with Wayne Lanning in Region I to discuss fatigue-related issues at Beaver Valley. Check with Glenn (and Min) to see what is the best time for Glenn, ask Alex to sit in on the call (perhaps, from Glenn's office), and I'll participate from home. Please call me in advance at home on my cell to let me know what time the call is expected. thanks
