Gentlemen -

John Jensen was experiencing difficulty emailing this afternoon, so I am forwarding the attached on his behalf. He has faxed a cover letter to accompany this submittal directly to you.

In order to keep the attached file size down, we have split the Decommissioning Plan into three pieces - text, figures, and appendices.

As a backup, I am also forwarding a copy of this plan on compact disk via fedex overnight to Mr Kinneman's attention.

Please call me at the number below or email me if you experience any difficulty with these files.

Thanks for your attention

Regards,

Kim Nelson
