Dear Mr. Scott:

On behalf of Region IV, thank you for speaking at the Nuclear Regulatory Commission's 2006 National Examiner's Conference on April 12. We found your presentation on the Canadian Initial Operator Licenses and Operator Requalification Programs both educational and interesting. The feedback from our Operator License examiners was overwhelmingly positive on your presentation. Your participation in our conference is a positive reflection on the interface between the Canadian Nuclear Safety Commission and the Nuclear Regulatory Commission. Again, thank you for dedicating your valuable time and insights.

Sincerely,

/RA/
