Mr. Robert Kalantari, Division Manager
Engineering Planning and Management, Inc.
959 Concord Street
Framingham, MA 01701

Dear Mr. Kalantari,

Thank you for the information you submitted in your letter dated March 29, 2006, (ML061250036) requesting The Nuclear Regulatory Commission (NRC) feedback on examples of operator manual actions used to support safe shutdown. We are considering the examples you provided and plan to provide you feedback during a public meeting planned for June 2006. The public meeting will be noticed in the near future. We plan to attach our feedback to your examples to the meeting minutes as a closeout to your request. If you have any questions regarding this letter, please contact me at 301-415-2870.

Sincerely,

IRA
