SUBJECT: NATIONAL SOURCE TRACKING SYSTEM WORKING GROUP

Dear Mr. Fogle:

On behalf of the Organization of Agreement States (OAS) Executive Board, I am pleased to advise you that you have been appointed to serve as the OAS representative and Co-Chair of the National Source Tracking System Working Group (NSTSWG), replacing Mr. Clayton Bradt of New York Department of Labor. The OAS Executive Board appreciates your taking on this responsibility in addition to your representation of the Conference of Radiation Control Program Directors on this Working Group.

The NSTSWG was convened to address issues related to the NSTS rulemaking. While the NSTS final rule has already been provided to the Commission for consideration, there are still a number of important related issues for the NSTSWG to review, including a potential revision to the compatibility category of some parts of the rule and the review of issues related to the potential inclusion of International Atomic Energy Agency Category 3 sources in the NSTS.
