Resident Inspectors Office

Subject: Site Management Changes

Discussion:

The licensee appointed Leslie Hartz as the Kewaunee Site Vice-President. She replaces Mike Gaffney, who has left the utility to pursue other career interests. Ms. Hartz had been the Dominion corporate Vice-President - Nuclear Engineering since 1998. The licensee also eliminated the Director - Nuclear Site position at Kewaunee. Kyle Hoops, formerly in that position, will report to Ms. Hartz as technical advisor.
