Re: Western Nuclear, Split Rock Millsite Groundwater and Surface Water Monitoring results, Second Half, 2005

Dear Mr. Corte:

The Water Quality Division, Groundwater Pollution Control Program has completed its review of the above referenced groundwater and surface water monitoring report. We have no comments or concerns about this report. We appreciate the opportunity to review and comment on the monitoring data.

Please contact me at 307/335-6959 or at the address provided, if you have any questions about this letter.

Sincerely,

Mark Thiesse
West District Supervisor
Groundwater Pollution Control Program
