OFFICE OF SECRETARY  
RULEMAKINGS AND  
ADJUDICATIONS STAFF

Dear Administrative Judges,

Of the possible dates given in Ms. Debra Wolf's e-mail of May 3, 2006, the Licensee would have a first preference for July 19th as the pre-hearing conference date, with its second preference being for July 18th. Counsel for the Licensee had planned to have several of its principle technical advisers present at the pre-hearing conference. Counsel has now been informed that these same persons have committed to attend a conference pertaining to unexploded ordinance from July 10 through July 14 in Las Vegas.

If scheduling for the 19th should prove unwieldy, counsel for the Licensee will attempt to make satisfactory arrangements.

Thank you.

Respectfully submitted,

John J. Welling  
Chief Counsel for the Licensee
