Comments on Proposed Regulatory Information Summary endorsing the Nuclear Energy Institute White Paper, "Enhancements to Emergency Preparedness Programs for Hostile Action" (71 Federal Register 12716, March 13, 2006)

Nuclear Management Company, LLC* (NMC) appreciates the opportunity to comment on the proposed Regulatory Information Summary endorsing the Nuclear Energy Institute (NEI) White Paper, "Enhancements to Emergency Preparedness Programs for Hostile Actions."

NMC endorses the comments made by the Nuclear Energy Institute (NEI) on behalf of the industry in their letters dated May 5, 2006. NMC concurs with NEI's position that endorsement of the White Paper provides the industry and the regulator with a consistent approach for implementing enhancements to existing Emergency Preparedness Programs based on post 9/11 experience.
