Subject: Proprietary Meeting

Dear Sir:

As discussed in Holtec Letter 5014594 referenced above, Holtec International seeks a meeting with SFPO staff to discuss technical details of a possible new licensing application, and requests that the meeting be closed to public participation due to its proprietary nature. As discussed with Mr. Meraj Rahimi, NRC, the attachment to this letter provides additional information for the proposed meeting, to further highlight the proprietary nature of the information that will be presented. Additionally, the proposed date for this meeting is changed from May 17 to May 25, 2006.

Note that the affidavit submitted with letter 5014594 also applies to the information contained in the attachment to this letter.

If you have any questions or require additional information, please contact us.

Sincerely,

Stefan Anton, Dr.-Ing.

Licensing Manager
