IN RE: KAREN K. REESE, Special Administrator, of the Estate of RALPH R. REESE, JR., Deceased, vs. Rapid American Corp., et al.

Our Case No. 04 L 51  
Our File No. P2893

Dear Russell:

Enclosed please find five Freedom of Information Act requests pursuant to 5 U.S.C.A 552. Please consider each request individually. We understand these requests may call for a large volume of records and, if necessary, we may be able to narrow the scope of several requests. Also, if a request generates greater than 500 pages of documents please contact us so we may arrange an inspection, rather than simply copying all records and sending them to us. Please do not provide any health information, personal identifiers or medical information regarding any individual. Should you have any questions, comments or concerns please contact me at your convenience.

Very Truly Yours,

HEYL ROYSTER VOELKER & ALLEN

1. Provide all documents representing or purporting to represent the number of current and former Iowa Army Ammunition Plant employees compensated under the Energy Employer Occupational Illness Compensation Program for exposure to radioactive materials or radiation. Please note that we do not want any personal or medical information regarding any individual.
2. Produce all documents representing or purporting to represent the number of current and former employees of the Iowa Army Ammunition Plant in Middletown, IA compensated for exposure to beryllium or beryllium containing products. Please note that we do not want any personal or medical information regarding any individual.
3. Provide all documents representing or purporting to represent the known maximum radiation exposure for maintenance employees at the Iowa Army Ammunition Plant in Middletown, IA between December 15, 1958 and June 1, 2000. Please note that we do not want any personal or medical information regarding any individual.
4. Provide all documents representing or purporting to represent the known maximum radiation exposure for radiographers at the Iowa Army Ammunition Plant in Middletown, IA between December 15, 1958 and June 1, 2000. Please note that we do not want any personal or medical information regarding any individual.
5. Provide all documents representing or purporting to represent the known maximum radiation exposure for line production workers at the Iowa Army Ammunition Plant in Middletown, IA between December 15, 1958 and June 1, 2000. Please note that we do not want any personal or medical information regarding any individual.
