Entergy Receives Emergency Response Award

Entergy has been awarded the Edison Electric Institute's Emergency Response Award for outstanding efforts to restore power following Tropical Storm Cindy and Hurricanes Katrina and Rita. Entergy also received the Edison Electric Institute's Emergency Assistance Award for its efforts to help Florida Power & Light restore power following Hurricane Wilma.

This is the eighth consecutive year Entergy has received an emergency award from EEI and the first time the company has won both awards in the same year. Entergy is the only utility in the nation to win either EEI's Emergency Assistance Award or Emergency Response Award every year they have been offered by the association.

The EEI Emergency Response Award recognizes member companies that put forth outstanding efforts to restore service promptly to the public following a natural disaster.
