SUBJECT: DRAFT REVISION TO STP PROCEDURE SA-121,
"AGREEMENT STATE LIAISON TO THE MANAGEMENT
REVIEW BOARD"

Enclosed for your review and comment is a copy of the draft revision of the Office of State and Tribal Programs (STP) Procedure SA-121, *Agreement State Liaison to the Management Review Board*. This procedure describes the process for the coordination of the Agreement State Liaison to the Management Review Board. For reference, a red line/strikeout draft revision is included based on the July 3, 2002 procedure. The revision is to eliminate duplication between roles and responsibilities and guidance of the various participants. Also, coordination is now accomplished by the IMPEP Project Manager since the position of Senior IMPEP Project Manager for IMPEP Coordination was eliminated. We would appreciate receiving your comments within 30 days from the date of this memorandum.

If you have any questions regarding this communication, please contact me or Stephen N. Salomon of my staff at 301-415-2368 or via e-mail at: SNS@NRC.GOV.
