Hello Jim,

I left a voice message for John White regarding the exit on the 28th but have not heard back.

I didn't know if NRC had a need to speak to us prior to the exit and wanted to touch base to find out.

With the meeting time moving from a tentative 1:00PM to a firm 11:00AM, Larry and I are not likely to be able to do it that day.

We could have a conf call on the 27th if needed.

Please note I will be leaving the office early tomorrow to travel to a West Valley meeting on the 23rd, and will be back the 24th.

See you on the 28th,  
Tim
