I would like to inform you in writing that Pinnacle Mining Co., LLC will have Alliance Consulting Incorporated to act as the temporary RSO and take possession of and store our portable Troxler Gauge on their property. Upon completion of training for a portable gauge, I will contact you first, and then Alliance Consulting for the purpose of returning the gauge. Alliance Consulting will have possession of the gauge for a short period of time until I complete certification for a portable gauge. I am trying to enroll in a class for late May or early June. If you have any questions please contact me at the phone number listed below.

Thank you,

Robert Helmandollar
