Dear Ms. Owens:

Westinghouse Electric Company LLC wishes to amend our NRC license XSNM 03006 for the export of fuel to the KRSKO Nuclear Power Plant in Slovenia to add Australian obligated material as well as EURATOM obligated material to the face of the license. We also want to amend the license to extend the expiration date one year to now read December 31, 2009.

Enclosed please find a check for \$300.00 to cover the amendment fee. If you have any questions on this request please notify me. Thank you for your attention to this matter.

Very truly yours,
