Keith,

I have reviewed the information provided by you on the change in the LES ownership, specifically, Westinghouse Enrichment Company LLC transfer all general partnership Class B interest to Urenco Investments. This proposed transfer simplifies the ownership structure of LES. Based on this review, I see no impact on previous FOCI positions for LES/URENCO.

Let me know if you need anything else on this matter.

I don't think anything is unrealistic if you believe you can do it. I think if you are determined enough and willing to pay the price, you can get it done.
