The enclosed inspection report documents the inspection results, which were discussed on April 21, 2006, with Mr. D. Bost, and on February 2, 2006, with Mr. G. Kaegi and other members of your staff.

The inspection examined activities conducted under your license as they relate to security and compliance with the Commission's rules and regulations and the conditions of your license. The inspectors reviewed selected procedures and records, observed activities, and interviewed personnel.
