Ed Flack has discussed this matter with Mike Weber and provided him with the February 10, 1992, letter. NNFD has requested that NRC expedite this action to enable NNFD to dispose of the waste prior to March 31, 1992, the end of NNFD's fiscal year. After March 31, 1992, because of severe cutbacks, funds may not be available.

Please notify the LA of your contact for the above project.
