Evan,

Please add Anita to the OC mailing list....in reality, we will send her a copy along with a copy of the letter that transmits the document to the Habitat office within NMFS's regional office. Please let me know if you have questions.

Thanks,  
Harriet

The formal request for an EFH Consultation will be addressed to Patricia Kurkul. However, I realize that you will be conducting the EFH Consultation. If you would like to receive an additional copy of the EIS and EFH Assessment directly, please send me your mailing address.
