Linda,

The SISP review is complete for the Oyster Creek draft SEIS. No security concerns were identified.

We would like the bound copies by June 2, 2006.

Next week I will only be in the office on Monday. However, I believe Mike and Evan will be in all week. Please ask any of us if you have any questions.

Evan will be delivering the signed FOIA form to you on Monday.

Thanks,  
Harriet
