Mike,

Evan and I have delivered the document to Linda and the FOIA folks. We are ahead of schedule, and all looks good.

Please note that Evan and I browsed the entire document and made several editorial changes (we did not review the table of contents as you told Evan you already did that). We have saved the files, printed replacement pages before delivering the document, and burned two new CDs. One CD was delivered to Linda, and one CD is in front of your keyboard for you.

Please let me know if you have any questions or need help. Next week I will only be in the office on Monday.
