Subject: Draft Environmental Impact Statement

Dear Mr. Rohn,

I'm assisting with the preparation of an Environmental Impact Statement for the license renewal of Oyster Creek Nuclear Generating Station, in Forked River, New Jersey. I have been asked to find the point of contact in the Corps to receive a copy of our draft statement for review and comment. From your website, I take it that you would be the main point of contact, and your address would be:

U.S. Army Corps of Engineers
Philadelphia District
The Wanamaker Building
100 Penn Square East
Philadelphia, PA 19107-3390

Is this the correct address? Please let me know if I am mistaken or if there is another person who should receive the draft.

Thank you for your time,
Evan Keto
