Re: NRC License No. 29-08622-04

The following information is offered in support of our amendment request for Drs. Shakarshy and Chen.

Drs. Shakarshy and Chen have each participated in over 10 cases of the use I 131 for the purpose of imaging and localization under my supervision, have satisfactorily completed the requirements in 10 CFR 35.392 (c) (2) and have achieved a level of competency sufficient to function independently as authorized users for medical uses authorized under 35.300 for the purpose of oral administration of I 131 for the purpose of imaging and localization studies.

Please contact Jonathan Law (609)652-3409 if there are any questions concerning this response.

Sincerely, 

Mark Peck, M.D.
Director of Radiology
Atlanticare Regional Medical Center
